

March 2022

Dear Parents and Dancers:

Our Nutcracker **Snow-Flower Audition Day** which will be taking place this year on **Sunday, May 22**. (Performance Date for Nutcracker 2022 will be Saturday, November 19, and Dress Rehearsal Date is Sunday, November 13)

The Snow/Flower Auditions for these Intermediate-Advanced and Advanced level Nutcracker dances are for dancers who were in Intermediate Level 2 or above this year, or by invitation (see specific classes in **bold** below). However, only students who are advanced enough to perform the choreography at a high technical level will be chosen to perform the dances, along with being placed into the Intermediate-Advanced or Advanced class in September.

Selection is based on technique, past attendance records, and also the number of openings available in each class.

All classes in The Nutcracker will have dances assigned to them. In some cases, the dance may be different from the previous year, though it is not unusual to repeat a dance from the year before. Performing the Nutcracker is a holiday tradition, and classes may not always be doing a new dance each year, as we do in the June recital.

Current Intermediate 2 (Monday 5:30), may attend the Flowers Audition. Current Intermediate 3 and Intermediate-Advanced students (Thursday 7:15, Thursday 6:00) who wish to try out for Snow must also do the Flower audition. Current Advanced class students should come to the Snow audition to review and demonstrate choreography.

A sign-up sheet will be circulating at the studio after Spring Break in April.

Sincerely,

Miss Marie
